

YORK®

It's time to get comfortable.

LX Series Air Handlers

Everyone wants time to relax and be comfortable. That's why we created LX Air Handlers, so you get a perfect match with your air conditioner or heat pump. And you'll like the confident feeling that comes with dependable performance, energy efficiency and operating economy. We give you the best design so you don't have to sweat the details. And because it's built by York—the industry leader in innovative design—you know your system won't be down when you want some down time.

Fast. Simple. Smart.

**LX SERIES
AHE MODEL
SINGLE-PIECE DESIGN**

Relax, we've got comfort under control.

With York, it's easy to find the model that will keep your home comfortable, control humidity and maintain indoor air quality. And while you're feeling comfortable indoors, you'll also feel good knowing that our air handlers are perfectly compatible with technology using environmentally friendly R-410A refrigerant to protect the outdoors.

Get complete comfort with a matched system.

Your indoor air handler is the crucial system component that circulates comfortable air throughout your home. When matched to your outdoor unit, this advanced design delivers exceptionally efficient performance and extended system life.

Keeping it quiet.

You value peace and quiet, and so do we. That's why York incorporates a special sound-dampening design to reduce vibration and noise during start up, operating and shut off periods so you enjoy the sound of silence.

- Tighter cabinet keeps contaminants out of the air flow
- Better drainage of coil moisture
- Compact design saves space
- Foil faced insulation keeps fiberglass from entering air stream
- Pre-painted steel cabinet for added durability
- Efficient multi-speed motor saves energy

Multi-position flexibility fits your needs.

Thanks to multi-position design, your air handler can be installed in downflow, upflow or horizontal positions without an additional field installation kit—fitting your comfort needs while saving some cash.

Complete your home comfort system by asking us about ways to improve your indoor environment and protect your family's health with our indoor air quality options.

| MODEL | DESCRIPTION | TONNAGE RANGE | APPLICATION | LIMITED WARRANTY |
|-------|--|---------------|-------------|------------------|
| AHE | Single-Piece design with multi-speed X13 motor | 1-1/2-5 Ton | AC/HP | 10-Year parts* |

For additional product details, such as weight and dimensions, visit www.york.com or ask your York® Dealer.

* For 10-year limited parts warranty, system must be registered online within 90 days of installation. Otherwise the warranty reverts to the standard warranty as published in the product warranty certificate.

Stay comfortable for years to come.

York is proud to offer the YorkCare™ Comfort Plan. It's designed to maintain your system as well as your peace of mind. With YorkCare™ you get total protection that ensures your unit is effective and efficient for years to come.

What's more, we offer maintenance agreements that provide upkeep while maximizing the warranty provisions. Ask about the YorkCare™ Comfort Plan. A little extra coverage is always a comforting idea.

Long story short – our history.

You may not know it, but York® products have been all around – from the world's most famous buildings, including the U.S. Capitol – to the entire U.S. Navy nuclear submarine fleet, as well as your local mall and corner bank. For over 135 years, the York® brand has earned trust as the first successful room air conditioner and for the world's first mechanically cooled theater, hotel and office building. Today, we're constantly leading the industry in our residential product design, signified by the Good Housekeeping Seal and ENERGY STAR® qualified products.

OVER
