

# QUALITY YOU CAN TRUST.

Backed by Johnson Controls, York® products are designed and manufactured to the highest standards. Our reputation for quality is backed by one of the strongest warranty packages in the industry. The Affinity™ high-efficiency gas furnaces get Lifetime Limited Heat Exchanger Warranties, and split-system air conditioner and heat pump compressors get Lifetime Limited Compressor Warranties—plus 10-Year Limited Parts Warranties for all.

Ask your York® Contractor for details about how our quality features, workmanship and comprehensive warranties will provide years of trouble-free comfort in your home.

We build your York® unit in North America where we closely monitor and improve processes that directly affect quality. Because when it comes to your home comfort, we are committed to meeting the industry's highest standards.

## YORK® PRODUCTS GAIN RECOGNITION

### A Consumers Digest Best Buy

For over 50 years, Consumers Digest magazine has identified products with outstanding value. The York® Affinity™

YP9C modulating furnace has been rated a 2014 Consumers Digest "Best Buy."

The Best Buy seal is a registered trademark of Consumers Digest Communications, LLC, used under license.

## Good Housekeeping Seal of Approval

York® products carry the Good Housekeeping Seal of Approval. Since 1909, this Seal signifies that a product has been tested and approved by the Good Housekeeping Research Institute and guaranteed by Good Housekeeping magazine's trusted Consumer Policy.

## ENERGY STAR® Most Efficient 2014

The ENERGY STAR® Most Efficient 2014 designation recognizes the most efficient

products among those that qualify for ENERGY STAR®. We are proud that our most efficient Affinity™ heating and cooling products have been tested and recognized as exceptional, leading edge systems that received this special designation.
